WHY BOWLER IS BOWLER OF THE WEEK (SEASON TO DATE, PAST ACCOMPLISHMENTS, HONORS, ETC)

Karlie bowled a 247, 236 for a 483 series in the match Monday, December 9th at AMF Hall of Fame. Her current average is 220.

As a freshman Karlie was Second Team All Conference, she finished First Team All Conference last year. She has made it her personal goal this year to be the very best she can be. In the off season this past summer, she shot her first career 300 during the State Tournament in Kentucky, which included 21 consecutive strikes!

COACH'S COMMENT ON BOWLER

Karlie has made leaps and bounds in her bowling career. This is truly a direct reflection of her hard work and desire to understand the game. She listens to her coaches and also enjoys sharing her knowledge with those just learning the game and others that just need a word of advise. She has embraced a leadership role for the Wooster Generals.

It has been rewarding for me as one of her coaches to be there as she continues to grow as a person and as a bowler.

WHY BOWLER IS BOWLER OF THE WEEK (SEASON TO DATE, PAST ACCOMPLISHMENTS, HONORS, ETC)

Jacob has been solid all year again. In the match against Massillon, Jacob shot 257-278 = 535 and then against Canton South he was near perfection with a 289 game. Jacob finally saw perfection against GlenOak at Triway lanes shooing a 300 in game 2! He is currently averaging 234.

COACH'S COMMENT ON BOWLER

Jacob is a very consistent bowler in many different houses and patterns. Though only a sophomore, he may be on his way to winning his 2nd Bowler of the Year award as he is currently averaging 234. It is fun as a coach to work with him and see his expressions when we add something new to his game. He has lots of power but is very smooth.
