WHY BOWLER IS BOWLER OF THE WEEK (SEASON TO DATE, PAST ACCOMPLISHMENTS, HONORS, ETC)

During week 5 of the 2013-2014 season Kaleigh came out on fire. Her first match at on 12.17.13 at HOF Lanes versus Central she shot a very fine 200, 199 series. Where most people would be satisfied Kaleigh wasn't. She came back the very next day in our match against Timken on 12.18.13 and shot a 503 series. Her games were 257 and 246. She averaged 227 for the week at two different houses!

Kaleigh came in as a Freshman and has been a staple on our varsity squad ever since. Her Freshman ('10-'11) year she was All SCHSBC Conference 2nd team with a 171 average and was part of the team that broke the school record 3 times that year. Her Sophomore year she was All SCHSBC Conference 2nd team with a 180 average. Kaleigh's Junior year she was 1st Team All SCHSBC Conference with at 208 average, where she was also the SCHSBC Federal Division Bowler of the Year.

COACH'S COMMENT ON BOWLER

When I first met Kaleigh it was hard to get her to say anything. She was put in a tough situation during her bowling career. She has had to endure several coaching changes with different coaching styles and philosophies. Through all the changes she as still been able to improve by leaps and bounds and continually be among the top bowlers in her division. This has been one of the top female classes to go through the SCHSBC average wise and talent wise. I am pleased to have Kaleigh on our team this year, I wouldn't trade her for anyone. I feel this is just the beginning for her and if she chooses and stays positive the sky is the limit.

WHY BOWLER IS BOWLER OF THE WEEK (SEASON TO DATE, PAST ACCOMPLISHMENTS, HONORS, ETC)

Brandon has shot 221 and 485 or the past 2 weeks. The 485 is a personal best. This is only Brandons 3rd year of bowling and he made 2nd team All-Conference as well as being a recipient of the Academic All Ohio Bowler Award last year. He is currently averaging 207 this year.

COACH'S COMMENT ON BOWLER

Brandon is hard working and very dedicated to both his bowling and his schooling. I have been his High School Coach since he started bowling 3 years ago and he is constantly improving. He is always practicing even when he is not with the team. He is the team captain and keeps everyone focused and makes sure they are enjoying themselves. I am both lucky and proud to have such a dedicated bowler on our team.
