WHY BOWLER IS BOWLER OF THE WEEK (SEASON TO DATE, PAST ACCOMPLISHMENTS, HONORS, ETC)

The best spare shooter on the team, this junior improved her average every season. Averaging 182 as a freshman and 187 as a sophomore, her team leading average of 206 is on pace to tie the single season (MHS) record.

Just 7 days after Haley lead the Lions to a 1st place finish in the (Park Centre) Holiday Tournament, she returns to Park Centre and rolls her season high of 490. Bowling Games of 234 and 256. She finished the 2 game set with 14 of the last 16 strikes, adding up her games vs Lake of 234 256 and her bakers for that day. She shot a 740 series and averaged 247 which makes her bowler of the week.

COACH'S COMMENT ON BOWLER

Haley was born to bowl. She practically grew up at Minerva Bowl. She has all the natural ability one could ask for and has bowled in a least 2 junior leagues every year the past 10 years. Not the most vocal girl, she has improved no only her bowling, but more importantly her attitude every year. With that combination the sky is the limit for this talented Junior.

COACH'S COMMENT ON BOWLER

Andrew is a pleasure to have on the team. He is very competitive in bowling and sometimes needs reminding of which sport he is playing. It has been an honor to coach him and watch him improve. I can't wait to see what he does this next year and a half of high school and bowling.

*I am very proud of you Andrew.
